

1

DOWNLOAD AND LOG IN TO VERIMOTO

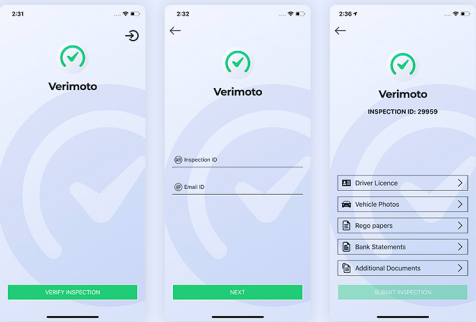

Download the Verimoto app using the **App Link** and then login using the **Inspection ID** received in the SMS or email.

2

PREPARE TO UPLOAD DOCUMENTS

Find and prepare documents for **ID Verification**, **Vehicle Details**, **Registration Papers**, and **Bank Statements**, respectively.

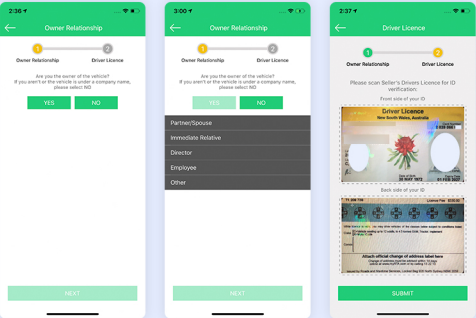

3

VERIFY ID

Select **Verify ID** if you are the owner of the vehicle, upload the Driver Licence image and take a selfie for facial recognition.

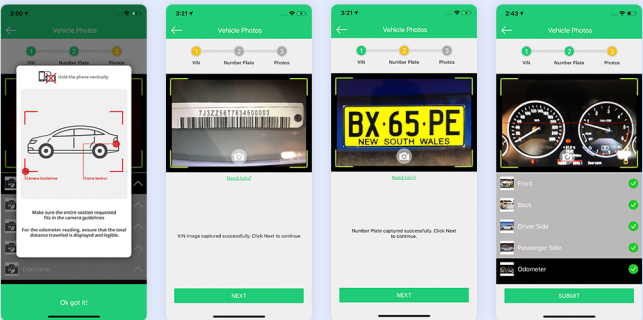

If you are not the owner, choose one of the options and follow prompts.

4

VEHICLE DETAILS

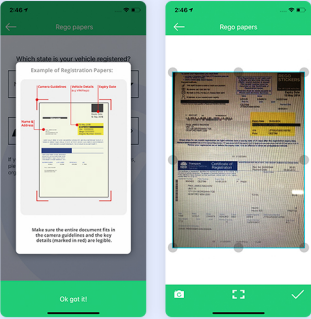

Select **Vehicle Details** and upload images for **VIN**, **Number Plate**, and specified **Vehicle Images**.

5

REGISTRATION PAPERS

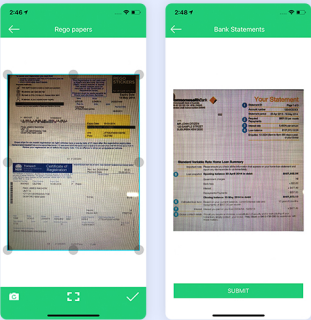

Select **Registration Papers** and upload rego document.

6

BANK STATEMENTS

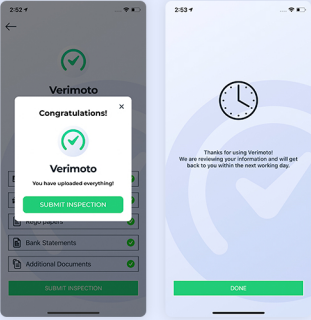

Select **Bank Statements** and upload a recent bank statement (cropped to hide transactions to show your **Name**, **BSB**, **Account** and **Bank logo**).

7

SUBMIT INSPECTION

Select **Submit Inspection** after all the documents are uploaded.

8

ADMINISTRATOR REVIEW

Congratulations, you've completed your inspection! The administrator is reviewing the documents and will come back with an outcome as soon as possible.

Please wait near the vehicle for 10 minutes in case any image is rejected.
